Dear Shareholder

Annual General Meeting 2015

The Annual General Meeting of the Company will be held at the Company's head office at Cherry Tree Road, Watford, Hertfordshire, WD24 6SH on **Thursday 23 July 2015 at 3.00pm** and we look forward to meeting as many shareholders as possible. Please note there is limited car parking available.

Shareholder Communications

Those shareholders that elected to receive an email communication should have already received that email and be aware that the Annual Report and Notice of this Annual General Meeting are available on our website at www.mothercareplc.com/financial-reports; printed copies are therefore not being mailed to them. **If you would prefer in future to receive a printed copy of the Annual Report, Notice of Annual General Meeting and Form of Proxy, please contact the Company's Registrars, Equiniti Limited, at Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA.**

We wish to encourage as many shareholders as possible to take advantage of the ability to cast their votes on the resolutions before the meeting by the use of the electronic proxy appointment service offered by the Registrars, Equiniti Limited, at www.sharevote.co.uk. All such votes must be received by 3.00pm on 21 July 2015. Using this facility streamlines procedures for the meeting, helps meet our environmental targets and reduces costs.

The directors believe that the resolutions to be proposed at the Annual General Meeting are in the best interests of the Company and the shareholders as a whole. The directors therefore recommend shareholders to vote in favour of the resolutions, as they intend to do in respect of their own beneficial shareholdings representing approximately 0.47 per cent of the issued share capital of the Company.

Yours sincerely

Alan Parker CBE

Please see the explanatory notes to the notice of Annual General Meeting, below.

Notes to the Notice of Annual General Meeting

- 1 Biographical details, including relevant qualifications and experience, of the directors proposed for re-election or election are given on page 38 of the Company's annual report and accounts.
 - 2 An explanation of the business to be conducted at the meeting is given on pages 6 and 7 of this Notice.
 - 3 Only those shareholders on the register of members of the Company as at 6.00pm on 21 July 2015 (or, in the event of any adjournment, at 6.00pm on the day that falls two days before the reconvened meeting) will be entitled to attend, speak or vote at the annual general meeting and they may only vote in respect of the number of shares registered in their name at the relevant time. Change to entries on the register of members after the relevant deadline will be disregarded in determining the rights of any person to attend or vote at the meeting.
 - 4 Any member attending the meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
 - 5 A member is entitled to appoint another person as his/her proxy to exercise all or any of his rights to attend, to speak and to vote at the meeting. A member may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him/her. A proxy need not be a member of the Company. A form for appointing a proxy is enclosed with this Notice. To be effective, the form of proxy must be completed and reach the Company's registrars, Equiniti Limited, at Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA not later than 3.00pm on 21 July 2015. You may also submit your proxy electronically; see your proxy card for details of how to register your vote. Completion of a form of proxy, other such instrument or any CREST Proxy Instruction (as described in paragraph 8) will not preclude a member from attending and voting in person at the meeting. If you require additional forms of proxy, please contact the Registrars of the Company on +44(0)121 415 7042 if calling from outside the UK or if within the UK on 0871 384 2013 (calls to this number are charged at 8p per minute plus network extras). Lines are open 08:30 to 17:30, Monday to Friday.
 - 6 In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).
 - 7 Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of the same powers as the corporation could exercise if it were an individual member provided they do not do so in relation to the same shares.
 - 8 CREST members holding their shares in uncertificated form who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the annual general meeting to be held on 23 July 2015 and any adjournments thereof by using the procedures described in the CREST manual. CREST personal members or other CREST sponsored members and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action on their behalf.
- In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or relates to an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (CREST ID RA19) no later than 3.00pm on 21 July 2015. For these purposes, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. No messages received through the CREST network after this time will be accepted. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
- CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular message. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such actions as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning limitation of the CREST system and timings.
- The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001. The CREST manual can be reviewed at www.euroclear.com/CREST.
- 9 The Company cannot accept responsibility for loss or damage arising from the opening or use of any emails or attachments from the Company and recommends that shareholders subject all messages to virus checking procedures prior to opening or use. Any electronic communication received by the Company and/or Equiniti Limited, including the lodgement of an electronic form of proxy, that is found to contain a computer virus will not be accepted.
 - 10 Under section 527 of the Companies Act 2006 members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditors' report and the conduct of the audit) that are to be laid before the meeting; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with section 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the meeting includes any statement that the Company has been required under section 527 of the Companies Act 2006 to publish on a website.

continued

- 11** A person who is not a shareholder of the Company, but has been nominated by a shareholder to enjoy information rights in accordance with section 146 of the Companies Act 2006 (a “nominated person”) does not have a right to appoint any proxy. Nominated persons may have a right under an agreement with the shareholder to be appointed (or to have someone appointed) as a proxy for the meeting. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under an agreement with the relevant shareholder to give instructions as to the exercise of voting rights. The statement of the rights of shareholders in relation to the appointment of proxies in paragraph 5 above does not apply to nominated persons. The rights described in paragraph 5 can only be exercised by shareholders of the Company. If you have been nominated to receive general shareholder communications directly from the Company, it is important to remember that your main contact in terms of your investment remains the registered shareholder or custodian or broker who administers the investment on your behalf. Therefore, any changes or queries relating to your personal details and holding (including any administration) must continue to be directed to your existing contact at your investment manager or custodian. The Company cannot guarantee to deal with matters that are directed to them in error. The only exception to this is where the Company, in exercising one of its powers under the Companies Act 2006, writes to you directly for a response.
- 12** The following documents, which are available for inspection during normal business hours at the registered office of the Company on any weekday (public holidays excluded), and will also be available for inspection at the annual general meeting from 2.30pm on the day of the meeting until the conclusion of the meeting:
- (i) copies of service contracts and letters of appointment of the directors of the Company;
 - (ii) copies of the deeds of indemnity of the directors;
 - (iii) a copy of the Company’s Articles of Association (under article 136 of which the directors have the benefit of a “qualifying third party indemnity provision” for the purposes of sections 232, 234 and 236 of the Companies Act 2006); and
 - (iv) a copy of the Plan.
- A copy of the Plan is also available for inspection during normal business hours at the offices of the Company’s solicitors, Slaughter and May, One Bunhill Row, London EC1Y 8YY, on any weekday (public holidays excluded), and will also be available for inspection at the annual general meeting from 2.30pm on the day of the meeting until the conclusion of the meeting.
- 13** As at 20 May 2015 (being the last practicable business day prior to the publication of this Notice) the Company’s issued share capital consisted of 170,662,573 ordinary shares of 50 pence each, carrying one vote each. Therefore the total voting rights in the Company as at that date were 170,662,573.
- 14** A copy of this Notice and other information required by section 311A of the Companies Act 2006 can be found at www.mothercareplc.com.
- 15** Except as provided above, members who have general queries about the meeting should use the following means of communication (no other methods of communication will be accepted):
- calling our shareholder helpline on +44(0)121 415 7042 if calling from outside the UK or if within the UK on 0871 384 2013 (calls to this number are charged at 8p per minute plus network extras). Lines are open 08:30 to 17:30, Monday to Friday;
 - by writing to Equiniti Limited, at Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA; or
 - by sending an email to investorrelations@mothercare.com
- You may not use any electronic address provided either in this Notice or any related documents (including the chairman’s letter and proxy form) to communicate with the Company for any purposes other than those expressly stated.

Explanatory Notes to the Proposed Resolutions

The Ordinary Resolutions will be passed if the votes cast for the resolutions are more than those cast against. The resolutions to be proposed as Special Resolutions will be passed if at least 75 per cent of the votes cast for and against the resolutions are in favour.

As Ordinary Resolutions:

Resolution 1: To receive the Company's annual accounts together with the directors' report, strategic report, directors' remuneration report and the auditors' report upon the accounts and the auditable elements of the directors' remuneration report for the financial year ended 28 March 2015. The directors will present these reports and accounts and shareholders may raise any questions on it at the meeting.

Resolution 2: To approve the directors' remuneration report (other than the part containing the directors' remuneration policy which is not being put to a vote at this AGM). The report can be found on pages 67 to 72 of the Annual Report and Accounts for the financial year ended 28 March 2015.

Resolutions 3 to 11: Re-election and election of directors. The Company's articles of association require that one third (or if not three or a multiple of three, the number nearest to but not less than one third) of the directors that are required to retire by rotation must retire. In line with UK Corporate Governance Code requirements, all the directors are up for election or re-election.

Each of the directors standing for re-election has been subject to a formal performance evaluation. The Board believes that each of them should be re-elected, subject to shareholder approval, because they have continued to be effective members of the Board and have demonstrated commitment to their respective roles. Alan Parker is the non-executive Chairman. Angela Brav, Lee Ginsberg, Amanda Mackenzie, Imelda Walsh and Nick Wharton are non-executive directors. Richard Rivers is the senior independent non-executive director.

Mark Newton-Jones and Richard Smothers were appointed to the Board in July 2014 and March 2015 respectively and consequently retire from the Board and offer themselves for election.

Resolution 12: Re-appointment of auditors. Deloitte LLP has indicated its willingness to act as auditors to the Company and accordingly an ordinary resolution to reappoint them will be proposed.

Resolution 13: To authorise the directors to determine the remuneration of the auditors.

Resolution 14: Authority to allot shares. Paragraph (A) of this resolution would give the directors the authority to allot ordinary shares or grant rights to subscribe for or convert any securities into ordinary shares up to an aggregate nominal amount equal to £28,443,762 (representing 56,887,524 ordinary shares of 50 pence each). This amount represents approximately one-third (33.33%) of the issued ordinary share capital of the Company as at 20 May 2015, the latest practicable date prior to publication of this Notice.

In line with guidance issued by the Association of British Insurers ("ABI"), paragraph (B) of this resolution would give the directors authority to allot ordinary shares or grant rights to subscribe for or convert any securities into ordinary shares in connection with a rights issue in favour of ordinary shareholders up to an aggregate nominal amount equal to £56,887,524 (representing 113,775,048 ordinary shares), as reduced by the nominal amount of any shares issued under paragraph (A) of this resolution). This amount (before any reduction) represents approximately two-thirds (66.66%) of the issued ordinary share capital of the Company as at 20 May 2015, the latest practicable date prior to publication of this Notice.

The authorities sought under paragraphs (A) and (B) of this resolution will expire at the earlier of 23 October 2016 and the conclusion of the annual general meeting of the Company held in 2016.

The directors have no present intention to exercise either of the authorities sought under this resolution, other than pursuant to the Company's share option schemes including, subject to shareholder approval, the Plan. However, the Board wishes to ensure that the Company has maximum flexibility in managing the Group's capital resources. However, if they do exercise the authorities, the directors intend to follow ABI recommendations concerning their use (including as regards the directors standing for re-election in certain cases).

As at the date of this Notice, no ordinary shares are held by the Company in treasury.

As Special Resolutions:

Resolution 15: General meeting notice. Changes made to the Companies Act 2006 by the Companies (Shareholders' Rights) Regulations 2009 (the "Shareholders' Rights Regulations") increased the notice period required for general meetings of companies to 21 days unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days.

The directors believe it is in the best interests of shareholders to preserve this ability and Resolution 16 seeks such approval. The approval will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed. Annual general meetings will continue to be held on at least 21 clear days' notice.

It is intended that this flexibility will only be used for non-routine business and where merited in the interests of shareholders generally.

Explanatory Notes to the Proposed Resolutions

continued

Resolution 16: Disapplication of statutory pre-emption rights. This resolution would give the directors the authority to allot ordinary shares (or sell any ordinary shares which the Company elects to hold in treasury) for cash without first offering them to existing shareholders in proportion to their existing shareholdings.

This authority would be limited to (a) allotments or sales in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those shares or as the board otherwise considers necessary, or (b) otherwise up to an aggregate nominal amount of £8,533,129 (representing 17,066,257 shares). This aggregate nominal amount represents 10% of the issued ordinary share capital of the Company (excluding treasury shares) as at 20 May 2015, the latest practicable date prior to publication of this Notice of AGM. The directors confirm that they will only allot shares representing more than 5% of the issued ordinary share capital of the Company (excluding treasury shares), for cash pursuant to the authority referred to in (b), where that allotment is in connection with an acquisition or specified capital investment (within the meaning given in the Pre-Emption Group's Statement of Principles) which is announced contemporaneously with the allotment, or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment. In respect of the authority referred to in (b), the directors also confirm their intention to follow the provisions of the Pre-Emption Group's Statement of Principles regarding cumulative usage of authorities within a rolling 3-year period where the Principles provide that usage in excess of 7.5% of issued ordinary share capital of the Company (excluding treasury shares) should not take place without prior consultation with shareholders, except in connection with an acquisition or specified capital investment as referred to above.

The authority will expire at the earlier of 23 October 2016 and the conclusion of the annual general meeting of the Company held in 2016.

Resolution 17: Purchase of own shares. Authority is sought for the Company to purchase up to 10 per cent of its issued Ordinary Shares (excluding any treasury shares), renewing the authority granted by the shareholders at previous annual general meetings. The Company has not purchased any Ordinary Shares in the period from the last annual general meeting to the date of this Notice under the existing authority.

The directors have no present intention to exercise the authority sought under this resolution, other than pursuant to the Company's share option schemes including, subject to shareholder approval, the Plan. The directors will exercise this authority only when to do so would be in the best interests of the Company, and of its shareholders generally, and could be expected to result in an increase in the earnings per share of the Company.

Ordinary Shares purchased by the Company pursuant to this authority may be held in treasury or may be cancelled. The directors will consider holding any Ordinary Shares the Company may purchase as treasury shares. The Company currently has no Ordinary Shares in treasury. The minimum price, exclusive of expenses, which may be paid for an Ordinary Share is 50 pence. The maximum price, exclusive of expenses, which may be paid for an Ordinary Share is the highest of (i) an amount equal to 5% above the average market value for an Ordinary Share for the five business days immediately preceding the date of the purchase and (ii) the higher of the price of the last independent trade and the highest current independent bid on the trading venues where the purchase is carried out.

The Company has options outstanding over 8,795,702 Ordinary Shares, representing 5.15 per cent of the Company's ordinary issued share capital as at 20 May 2015. If the existing authority given at the 2014 AGM and the authority now being sought by resolution 17 were to be exercised in full and the shares purchased were cancelled, the options to subscribe for ordinary shares would represent 6.36 per cent of the Company's resulting issued ordinary share capital following such purchases and cancellations. If the existing authority given at the 2014 AGM is not exercised at all before the 2015 AGM, but the authority being sought by resolution 17 is exercised in full and the shares purchased were cancelled, the options to subscribe for ordinary shares would represent 5.72 per cent of the Company's resulting issued ordinary share capital following such purchases and cancellations. The Company holds no shares in treasury.

The authority will expire at the earlier of 23 October 2016 and the conclusion of the annual general meeting of the Company held in 2016.

Resolution 18: Approval of the Plan. A summary of the Plan is set out in the appendix.

Appendix

Summary of the principal terms of the proposed Mothercare plc Save As You Earn Plan 2015 ("the Plan")

1 Eligibility

All employees of a Participating Company and those executive directors who devote a minimum of 25 hours per week to their duties, who have any requisite period of continuous employment determined by the Board, not exceeding five years, are entitled to participate in the Plan. The Board has discretion to include other employees. If the Board resolves to operate the Plan, all eligible employees will be invited to apply for options.

2 Grant of options

Invitations to apply for options over Ordinary Shares may normally be made by the Board within 42 days of the day after the announcement of the Company's results for any financial period. Options must be granted within 30 days of the date by reference to which the option price is determined.

Options will not be assignable or transferable.

3 Option price

The option price will be determined by the Board, but will not be less than the higher of:

- (a) 80% of the market value for dealings in Ordinary Shares on the dealing day before the invitation date or, if the Board decides, 80% of the average of the market value for dealings in Ordinary Shares for the three dealing days immediately preceding the invitation date, or 80% of the market value of an Ordinary Share at such other time agreed in advance with HMRC; and

- (b) In the case of an option to subscribe for Ordinary Shares, the nominal value of an Ordinary Share.

The option price may be adjusted (in accordance with the applicable legislation) to take account of any variation in the Company's ordinary share capital.

4 Savings contract

All options must be linked to a savings contract entered into by each participant with the savings institution nominated by the Board. Currently, participants may save between £5 and £500 per month.

Options will normally be granted for three years or five years. The duration of an option is determined at the date of grant. Options may be exercised with an amount not exceeding the available proceeds of the savings contract at the time of exercise.

5 Limitations

No option will be granted on any date if, as a result, the total number of Ordinary Shares acquired or which may be acquired pursuant to grants and appropriations made within the ten years preceding that date under the Plan and all other employee share schemes established by the Company would exceed 10% of the Company's issued share capital on the date of grant.

6 Exercise of options

Options may normally be exercised within six months of the bonus date of the related savings contract. However, options may also be exercised during the period of six months following the participant ceasing to be an eligible employee by reason of injury, disability, redundancy or retirement, a relevant transfer within the meaning of the Transfer of Undertaking (Protection of Employment) Regulations 2006, a participant holding office or being employed in a company which is an associated company of the Company and that company then ceasing to be an associated company, or the passing of a resolution for the voluntary winding up of the Company.

On the death of a participant, any option held can be exercised by the participant's personal representatives within 12 months after the earlier of the participant's death or the bonus date of the option.

Options can also become exercisable on a change of control of the Company. On such a change of control options may, with the consent of the company acquiring control of the Company, be released in consideration of the grant of equivalent rights over the shares of the acquiring company or a company associated with it. Rights are equivalent if, broadly speaking, the aggregate exercise price of each option are, on the date of exchange, equal.

7 Issue of shares and other rights

Ordinary Shares delivered following the exercise of an option will rank equally in all respects with the then Ordinary Shares of the Company in issue at that date provided that they will not be entitled to any distribution of other rights if the relevant record date falls before the date of exercise.

Benefits receive by participants under the Plan will not be pensionable.

8 Amendments

The rules of the Plan may be amended by the Board in any respect provided that no amendment may be made:

- (a) To the rules relating to eligibility, the limitations on the number of Ordinary Shares available under the Plan, a participant's entitlement under the Plan and its adjustment in the event of a variation in capital, to the advantage of participants without the prior approval of shareholders in general meeting, except for minor amendments to benefit the administration of the Plan, to take account of a change in legislation or to obtain or maintain favourable tax, exchange control or regulatory treatment for participants or for any member of the Company, any participating company or associated company; and
- (b) Which would alter to the disadvantage of a participant any rights already acquired by the participant under the Plan without the prior approval of the majority of the affected participants.

9 Termination

The Plan will terminate on the tenth anniversary of the date the Plan is approved by the Board or at any earlier time determined by the Board.

Termination of the Plan will not affect options granted before termination.
